District News

MAJORVILLE

Mr. and Mrs. Eric Vooy's, residents of the district before retiring to Vancouver in 1948, celebrated their 50th wedding anniversary with a family reunion dinner and open house on Nov. 29. Coming from Spokane in 1920, the Vooy's took up residence in the house on the hill east of Milo and moved to the south-east corner of Majorville in 1927. Among the former residents who now reside at the coast attending the affair were Mr. and Mrs. Bill Osler, Mr. and Mrs. Alex Soderling, Mr. and Mrs. Van Orsdale, Mr. and Mrs. Armour Godkin, Mr. and Mrs. Ole Hagen, Mrs. A. Godkin Sr., and Mrs. Hellevang. The couple were presented with gifts of a silver tea service and candlesticks from the family and friends. Mr. and Mrs. G. Vooy's, Mr. and Mrs. L. Vooy's and Mr. and Mrs. Stan Godkin (nee Margaret Vooy's) were in Vancouver for the celebration. A telegram of congratulations was received from Mr. Bennett, Premier of B.C.—Mr. Vooy's passed his 80th birthday in August and both he and Mrs. Vooy's enjoy good health. We join with their many friends at the coast in wishing them many more years together.

Mr. and Mrs. Bartsch were Calgary visitors on Monday and Tuesday.

Mrs. Wellman had a party for her grandson, Bobbie Scott, who was nine on Nov. 29. Eleven playmates of Bobbie's turned out to enjoy an afternoon of skating and later made short work of a lunch that included ice cream and all the things little folks go for.

Friends will be glad to know Harvey Fuller is home from Bassano Hospital and is recovering from his recent operation.

Mrs. Alf Heather entertained at the tea hour last Tuesday and guests were Mrs. Bartsch, Mrs. Clemmons, Mrs. Bob Deitz, Mrs. Francis, Mrs. Lewis Greaves, Mrs. Hap Heather, Mrs. Geo. Heather and Mrs. H. Winch.

Mr. and Mrs. Francis Lee and Billie were visitors to Bassano on Monday evening.

Mr. and Mrs. Frank Boyd and family, Leona, Kenneth and Walter Vooy's were dinner guests at the Hugh Winch home on Sunday.

Mr. and Mrs. Don Gordon of Cluny were weekend guests of the latter's parents, Mr. and Mrs. G. Heather. Also visiting the Heather home on Sunday were Mr. and Mrs. D. Corbiel of Cluny, Mr. and Mrs. H. Borschers and family, Mr. and Mrs. J. Varhaug and family of Scandia.

Kiemele - Henry
Miss Lois Kathrine Henry, daughter of Mr. and Mrs. A. Henry of Majorville and Mr. Edward Arthur Kiemele, son of Mr. and Mrs. George Kiemele of Milo, were principals at an early afternoon wedding in Knox United Church, Calgary, Dec. 2 with Rev. B. L. Hodder officiating.

Given in marriage by her father the bride chose a gown of rose-point lace over satin, styled with a fitted bodice, lily point sleeves and sweetheart neckline. The skirt over a crenalin was caught up with iridescent sequins. She wore a finger-tip veil of illusion net, sprinkled with rhinestones and was held in place by a halo head-dress of place and seed pearls. Her bouquet was of red roses and her jewelry was a double strand of pearls with matching earrings, a gift of the groom.

Attending the bride as matron of honor was Mrs. O'Dell Lloyd of Arrowwood. She wore a gown of pale blue bengaline with shoulder length veil, held in place by a bandeau of flowers. She wore matching mitts and carried a colonial bouquet of pink carnations. The second bridesmaid was Miss Kristine Beck of Cluny who wore a gown of yellow rayon marquisette. Her shoulder length veil was held in place by a stand up head-dress of pleated net and seed pearls. She wore matching mitts and carried a colonial bouquet of pink carnations.

Attending the groom was Mr. Bruce Henry, brother of the bride and Mr. Earnest Kiemele, brother of the groom. The ushers were Mr. Leonard Kiemele and Mr. Gene Henry.

A reception for 56 guests was held at the Empress Grill. The bride's table was centred with a three-tiered wedding cake and decorated with flowers. Mr. V. Bertrand proposed the toast to the bride, to which the groom suitably responded.

The bride changed to a grey suit with matching accessories. After a few days spent in Calgary the young couple have taken up residence in the Milo district.

BRANT

The Ladies Aid met at Mrs. Ed Pearson's home on Thursday afternoon. The roll call was answered by each one of the ladies displaying a piece of fancy work; also the

afternoon and evening had a very good time and plenty to eat. Allan Fletcher was home for the weekend.

Mr. and Mrs. Jim Wells and Yvonne were visitors in Lethbridge over the weekend.

Taste is the least developed of the five senses among the lower animals.

The Italians originated the custom of wearing masks at a fancy dress ball.

Polyannas exchanged their Christmas gifts.

Mr. and Mrs. Brant Parker were Calgary visitors over the weekend.

GOVERNMENT BUSINESS

The Problem of Surface Owners Rights

Under the common law of Canada the title to mines and minerals always included the right of entry and the right to use as much of the surface as might be required WITHOUT ANY COMPENSATION to the surface owner OR WITHOUT LIABILITY except for negligence.

However with respect to oil and gas development, the Alberta Government maintains that the owner of the surface is entitled to full compensation such as he would receive if his lands were needed for a canal, railway, highway, power line, coal mine or any other project in the public interest.

The Answer to the Problem

To assure land owners of compensation, laws were passed requiring those entitled to work the minerals to compensate the owners of the land. In 1947 the Right of Entry Arbitration Act was passed. This set up a Board of Arbitration to deal with compensation to surface owners.

Under the Act no operator shall have the right of entry or use of the surface of any land until he obtains the consent of the owner of the surface rights and the occupant thereof. If consent is not granted the operator must apply to the Board.

In dealing with the application the Board determines the portion of the land required the position the amount of compensation after consideration of such factors as the value of the land the permanent damage the adverse effect of the right of entry and other factors deemed proper or applicable, to make sure the land owners receive fair and generous treatment.

THE RUSTY GRAIN BEETLE

One of the destructive pests that spoil stored grain. It is an insect one sixteenth of an inch long and can be seen by the eye. Farmers are recommended to probe into their stored grain. If beetles are seen their presence should be reported to any agricultural authority who will advise the farmer what to do. Or ask for names of the authorities from the nearest Searle Agent.

Surprise car of '53

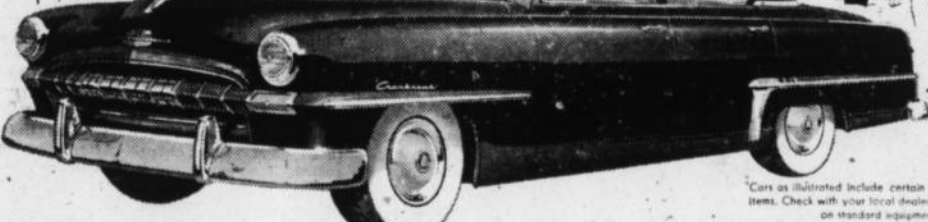

PLYMOUTH

the Car with the Balanced Ride*

*BALANCED AGAINST PITCH *BALANCED AGAINST ROLL *BALANCED AGAINST JOUNCE

Your new Plymouth is here . . . with scores of new and surprising features!

*Cars as illustrated include certain extra equipment items. Check with your local dealer for information on standard equipment.

SURPRISING NEW COMFORT

In sensational new Plymouth BALANCED RIDE is by far the softest, smoothest ride you'll find in any car of comparable price. The new Plymouth is balanced against pitch—against roll—and against jounce. Nothing like this has been offered before—even by Plymouth, and among the 21 new comfort features you'll also find luxurious new interiors with 8-inch wider back seats—a huge luggage compartment with 30% more space for your travelling comfort—more leg room to stretch out, front and rear . . . and a host more.

SURPRISING NEW STYLE AND BEAUTY

Here again the new Plymouth is the car of happy surprises! 34 new style features to delight your eyes—longer, lower lines—air-streamed styling of the graceful fenders—newly designed grille and massive bumpers—new, smart instrument panel with centre glove compartment for easy access—broad, continental-type rear deck—rich new colours and beautiful roomy interiors make Plymouth an outstanding style leader in any company.

SURPRISING NEW PERFORMANCE AND SAFETY

38 new features in performance and safety alone. Many you can see—like the new one-piece optically designed windshield, which minimizes reflections—the full vision rear window—15% greater total glass area in all—the broad, low hood giving you wonderful road view. Many more you will feel the moment you take the wheel and drive . . . the amazing new ease in handling . . . wonderful road-hugging balance on curves . . . perfect control and highway safety. But you must drive the surprise car of '53 to realize how far ahead it really is in beauty, fine engineering and downright comfort.

The Primrose Club met at the home of Mrs. Tom Svane recently with a good attendance of 15 members. A good deal of business was discussed and the main feature of the day was plans being made for the Christmas party. Some discussion was made on the three act play but was tabled for the next meeting which will be held at Mrs. Lehto Kojala. Mrs. Oliver Hovde won the hostess prize after which the hostess, Mrs. Svane, served a very delicious lunch.

Mr. and Mrs. John Olsen and granddaughter Doris returned from Vancouver where they spent an extended holiday at the home of Cyril Brooks.

Mr. and Mrs. Haaken Anderson are building a new three room addition to their home.

Ladies' Altar Society

The Ladies' Altar Society of Carmangay held their Christmas Tea Bake Sale and Bazaar Saturday, Dec. 6 with a fairly good turnout. The bake table was well filled with a wonderful display of home baking of all sorts. Popcorn and lemonade sold fast to the younger set, and the home sewing table was laden with many lovely exhibits of sewing which were purchased by many last minute Xmas shoppers.

Six tables were set for the dainty tea that was served the many shoppers. A profit of approximately \$110 was realized from their efforts. Tickets were also sold on the doll crib and doll throughout the afternoon, and shortly before the regular Saturday evening show the lucky ticket was drawn and was held by Mrs. Archie McAlpine.

The remains of the popcorn was sold before the show, and following the show coffee was served and more of the baking was sold to late comers. It is believed the day was very successful for all concerned.

Well, here it is just less than three weeks till Christmas and still no snow. What is it going to be, a White Christmas or an extended Indian Summer. Your guess is as good as anybody else's. Of course there will soon be a change in the moon, so you people that believe in moon gazing may be able to see some change in the weather.

W. T. Ohler and Ivan shipped two carloads of steers and heifers recently and it is reported that they topped the market at Calgary. That's a lot of beef. Too bad it wasn't bulls that were shipped and the expression would be slightly changed.

Dennis Roemmele recently had

the misfortune to break his nose while playing. He is now in the local hospital but is expected to return home within the next few days.

Koy Craig has returned home from Calgary where he was receiving medical treatment.

Mr. and Mrs. Orville Smith have recently been visitors in Cardston at the homes of their many friends and relations. They returned home by way of Lethbridge where they were engaged in Christmas shopping.

Mr. and Mrs. W. T. Ohler and Ivan were Great Falls visitors last weekend where they were catching up on some delayed Xmas shopping. It is reported by this party that the roads and weather could not have been better had it been July or August.

Mrs. Crow has returned home after spending an extended holiday at Medicine Hat. The telephone line leading to the farm of Fred Smith is now completed and anyone wanting to get in touch with them can now do so by phoning R204.

Mr. and Mrs. Herman Stettner and Mr. and Mrs. A. Thompson and families of Nampaka were Sunday visitors at the home of Mr. and Mrs. G. H. Nelson.

Arni Dahl and Lars Uland left recently by T.C.A. to visit with friends and relatives in Norway.

North Priscilla Club

Members of the North Priscilla Club met at the home of Mrs. Harold Hovde on Wednesday with nine members and two visitors present. Business for the year was completed. The afternoon was spent playing bingo and Mrs. Edith Church won the bingo prize. The raffle was won by Mrs. Marthe Nelson. The next meeting will be held at the home of Mrs. Dalton McDougall on Dec. 17 where the box for the Woods' Christian Home will be packed and also the exchange of Christmas gifts will be enjoyed. A sumptuous lunch was served by the hostess, Mrs. Hovde.

Mrs. Arni Dahl entertained at a dinner party recently in honor of her husband who left recently for Norway. 34 guests sat down to a very lovely dinner.

Syd Thompson has returned home after spending two weeks in Calgary attending the Wheat Pool Delegate's Convention.

Don Moore left Tuesday morning for his home in Creston, B.C. Beverly Burgess of Edmonton and Joanne Hubka of Lethbridge were weekend visitors in Carmangay.

Milo News

It seems that there is a special angel that guards little children, drunks and wayfarers. The other day a stranger to our community calmly walked across Lake McGregor never dreaming that only two days before it had been a pond of open water. He was quite surprised and not a little shaken to learn the depth of the lake which at that point was 30 or 40 feet. The same angel must have been again present when another stranger stopped his car on the edge of the lake and, walking out for some distance, decided that the ice was thick enough to support the car, began driving across. He soon became alarmed and turned back when he could hear the ice cracking and groaning under him. At that time there was not much more than an inch of ice in the middle of the lake.

The city fathers of Milo are walking around with a rather crestfallen air these days. Last Wednesday our valiant fire chief Joe Thomson decided to call a fire drill and see if the fire engine would work if it was ever needed. It had only been sitting idly in the fire hall for 18 months so it was time it had an airing anyway. So drill was called and those hardy citizens making up the volunteer fire brigade immediately jumped to their stations. A rip snorting bon fire was built and the engine (where did it ever get that name) was trundled into place. It only weighs about two tons so it was quite a trundle. Anyway it was brought out and to everyone's consternation it wouldn't put out the fire, at least not without using up most of the dousing material. What in the world good is a fire engine that won't put out even a wood bon fire? Then the reason was discovered when it was found that Joe Thomson and Evan Beechman, when making the fire, had dumped a considerable amount of gasoline onto the wood. Some boy scouts they'd make.

The annual meeting of the Ladies' Curling Club is to take place on Monday, Dec. 15 at the home of Mrs. Vi Carson. Last year there were 30 some women curling and yet at the annual meeting only six

showed up. This year you are all asked to take more interest in your organization and to help make this a good year in this winter sport. Anyone interested in curling this year is asked to call either Lorna Umscheid, president, or Vi Carson, secretary, and have your name registered. Any of the country people who have a preference as to who they would like to curl with so that the transportation problem might be made easier, please leave your suggestions with the one who takes your name. Also, any outside rinks who are planning on entering the draws please call and leave a list of your complete rink. So come on ladies, even if it is washday, please try and attend this annual meeting.

The United Church is planning a real old-fashioned Christmas service to take place on Sunday, Dec. 21 at 3 o'clock. Rev. Clarke of Vulcan will be the minister in charge. After the service there will be a short program put on by the Sunday School after which lunch will be served. The whole thing is sponsored by the United Ladies Aid and this organization wishes to extend a cordial invitation to Queenstown and district. This service will be held in the I.O.O.F. hall.

Mr. and Mrs. Bob Scott have returned from Eastern Canada with a brand new Ford car. Bob planned this to be the biggest and grandest drive of his life but when he dislocated his knee in Toronto, his wife was compelled to drive the entire three thousand miles herself.

Have you ever heard the history of Slick Up lake. I heard it for the first time the other night and it is to be suspected that other newcomers to the district don't know it either. Well, it seems that in the old days when there were only a very few homes in this district and the ranches were few and far between, the Browns, ranch at Queens town was a central point for dancin' and parties. Of course the difference in the Brown ranch and many of the others was the fact that there were girls and it seems that they were very scarce. So the story goes that when the Browns ranch put on a dance the cow-

boys came from far and wide to attend. By the time they came to what we now know as Slick Up lake they were nearly to the ranch but they were usually pretty dusty, too. So they stopped there to clean up, or as the expression was in those days, "to slick up." Now we wonder what the ghosts of those old time cowboys thought the other day when a number of the local lads went down to old Slick Up and laid out a curling sheet and curled their first game of the season. Were the old timers shocked at the intrusion or were they interested in this game that so fascinates so many people. Who knows, if you went down there some night when the moon was bright maybe you'd see chaps flying and hear spurs jingling as some bow legged cowboy swept for all he was worth, while his pals cheered him on.

Walter Jorgenson, our local lumber dealer made a nice gesture this year when he gave his friends and customers Christmas trees instead of calendars.

The Rebekahs sponsored a whist drive and bingo last week with all the proceeds going to the Woods' Christian Home.

The United Ladies Aid held their regular meeting at the home of Mrs. Lawrence Phillips. It was an annual meeting and an election of officers was held. Results were as follows: President, Mrs. Jessie Umscheid; Vice-president, Mrs. Lil Peterson; Secretary, Mrs. Alvira Page; Treasurer, Mrs. Madge Johnson.

Mr. Harold Lewis was home for the weekend from Airdrie where he is employed in the Bank of Nova Scotia. Mr. and Mrs. Gordon Ivers and Harold drove to Retlaw to visit with Mr. and Mrs. Ronald Lewis.

Mr. and Mrs. Bittorf were in Calgary for a few days last week while Wilf was attending a Case machine school.

Ian Thompson and David Deitz went to Banff on Monday to bring home Jean Thomson who has finished her work at the Banff Springs hospital.

When asked if the Deitz family had been doing anything else that was of interest, Bill said that he had gotten a hair cut. Take a good look at him next time you see him because it is really quite an event in his life.

John Ingan, who has been in the hospital for the past eight weeks as a result of an accident, has been released and is now at home again.

Word has been received that Mrs. Art Forrester, formerly of Milo and now of Grand Prairie, was taken to the hospital for an emergency appendectomy. She is now doing fine.

Not long ago our school principal was going to get an early start for Calgary so he went out about five o'clock to start his car and get it warmed up. No sooner had he stepped on the starter than it made the most terrifying noise. It really sounded as if every rod was pounding and every bearing was rattling its last. You can imagine his consternation because never before had it sounded that bad. Little did he know that some of the boys had fixed a gimmick to his spark plugs that was causing all the noise. Oh well, people in his district of town always get up a five o'clock anyway so he didn't really wake anyone up!

And so the parlor lamp went out

INTRODUCING...

The 1953 Meteor Customline

These cars, with their distinctive styling and now famous 120 horse power V8 motor, which last year received such an enthusiastic welcome from the buying public are now out in their 1953 version—even more beautiful in design

and designed for lasting, even greater performance.

The public is invited to inspect this new Automotive Creation on FRIDAY AND SATURDAY, DEC. 12 and 13, at your Vulcan Meteor-Mercury-Lincoln Dealer.

WHEAT CENTRE MOTORS

It is the boast of the makers of these fine cars that this year their cars provide the smoothest ride obtainable in an earth-bound vehicle. Meteor Cars are available in seven distinctive styles—a choice of 3 different

transmissions (including automatic) and two different motor ratings. Many different options are available in equipment and accessories. By special ordering you can obtain one "Tailor Made" to your requirements.

Drop in Friday and Saturday of this week for your introduction to the finest car ever built in the low price field, at—

'53 DODGE

Illustrated—Dodge Regent 4-door sedan includes certain extra equipment items. Check with your local Dodge dealer for information on standard equipment.

new beauty

In style and beauty, you'll find that the '53 Dodge is new and finer in many ways. It has that long, wide, low look that draws admiring glances. Graceful, sweeping fenders and the broader, lower rear deck lend a touch of continental styling. There's a new type of one-piece curved windshield and an attractive new wrap-around rear window which give you better vision. You'll like the smart, new instrument panel with its central glove compartment for easy access. The beautiful new interiors and rich new colours add a further note of elegance to the finest Dodge cars ever produced in the low-price field.

finer performance

When you take the wheel of this stylish, more compact Dodge, you'll quickly discover that, in performance, too, Dodge is new and finer. You'll find that this new Dodge handles with astonishing lightness and ease—clings surely to curves—parks without effort. On the highway, you'll experience finer performance and easier acceleration at higher speeds—result of the new higher gear ratio. And with Overdrive (available at extra cost) your highway driving becomes even smoother and more economical.

Arrange to get behind the wheel and put the new Dodge through its paces.

new 3-way smoother ride

When you drive a new Dodge, you'll find a 3-way smoother ride... steadier... more level... softer. You'll agree it's the most comfortable ride you've ever experienced in any car at a comparable price.

It's a steadier ride because of a wider frame, a lower centre of gravity, and the new positioning of the wider rear springs.

It's a more level ride, the result of synchronized springing and scientific weight distribution.

It's a softer ride because of "Oriflow" shock absorbers and wider, softer springs.

Be among the first to experience this thrilling new ride. Phone your Dodge-DeSoto dealer for a demonstration.

BERRYWATER

Mr. and Mrs. Lorne Healey and family accompanied by Mrs. Frieda McRoberts and Mrs. Carrie McIntyre were Sunday guests at the Clarence Mote home at Ensign.

Miss Gladys Baden was a Calgary visitor last week.

Mr. and Mrs. Ross Smith were Sunday visitors at the Allan Sinclair home.

Allan Sinclair, as delegate from the Berrywater local, is attending the F.U.A. convention at Edmonton this week. Mrs. D. B. Smith and Mrs. H. C. Douglass are also attending the convention.

Mr. and Mrs. Stan Wickstrom were visitors to Great Falls, Mont. last week.

Mrs. Lynn Odfield was a Calgary visitor for several days last week, and while in the city attended the Templeton Mission.

Mr. and Mrs. Cecil Sheeple of Calgary visited at the home of Mrs. Sheeple's parents, Mr. and Mrs. Lloyd Richardson on Sunday.

Mrs. Leslie Richardson went to Calgary Monday, taking turkeys for the Alberta Poultry Show. Herman, Hugh Hanna (better known as Squint) and Raymond Beagle. Never heard if any of them had any luck.

Mrs. Beestel is visiting at the home of her son-in-law and daughter, Mr. and Mrs. J. Marks for a few days this week.

Friday was workday at the Community hall when a number of men and women gathered there to give it a few minor repairs. The main task for the men was installing the new exit doors while the women busied themselves calendering and papering the stage in preparation for this year's forthcoming Christmas concert. Coffee was served during the afternoon. Several returned again Saturday morning to work on the doors, complete the stage and tidy up the basement.

ENSIGN

Tomorrow Will Come

God's tomorrow will come just as surely as all the tomorrows God has given us so far.

Read Rev. 20:11-21:7

Are we ready for the tomorrow mentioned in these verses? If not, let us make ourselves right with God today, for surely:

Today is the tomorrow we dreamed about yesterday... and the use we make of today prepares us for the tomorrows which are to come.
